Possibilities:

- Enhance your wellness culture through skiing/wellness themed workshops and keynotes
- Increase revenue in gift shops and ski programs through book bundling with other services (custom cover options provide brand-building and premium client rewards)

Never before has a book been written about how the mountains and skiing provide the perfect metaphor for achieving success in life. Now it's an Amazon #1 bestseller!

"Nutrition and wellness in a laugh out-loud, funny way. Important and fun!" -Tiger Shaw, President and CEO, USSA
